ENTREPRENEURSHIP AWARENESS

A SESSION ON DAIRY ESTABLISHMENT AND MANAGEMENT

An Entrepreneurship Awareness Session on the field of Dairy Establishment and Management was conducted to SPACES Degree College students on 04.03.2022. The session was conducted by MOHAMMAD AZAM IRSHAD GARU, specialist with 32 years of vast experience in Dairy technology and management.

The session was organized to give students a foundation of knowledge and skills about dairy cows, the dairy industry and dairy farming as a business that they can continue to build upon after graduation from the program. Sri MOHAMMAD IRSHAD focused on the basic knowledge and skills needed to be successful on all types of dairy operations as an owner, herdsman or dairy farm employee.

He addressed the students regarding the subject in global perspective. He said that Global milk production has grown largely in response to increased consumer demand, and this has implications for the sustainability of dairy systems. He added that various schemes are provided by Govt of India- Department of Animal Husbandry, Dairying & Fisheries (DADF), Ministry of Agriculture, entitling “Dairy Entrepreneurship Development Scheme” to make dairy production more sustainable and to enhance the contribution of dairy to better Agri-food systems. He motivated students towards being entrepreneurs and addressed how the dairy sector benefits us and contributes to healthy Agri-food systems.
