OBSERVED WORLD ENVIRONMENT DAY ON 05.06.2017

The theme for 2017 World Environment Day - "CONNECTING PEOPLE TO NATURE". It implores us to get outdoors and into nature, to appreciate its beauty and its importance, and to take forward the call to protect the Earth that we share. On 05.06.2017, SPACES Degree NSS volunteers planned a rally to bring awareness among the people about protecting our environment.

Rally was held in the P.L. Puram village. Rally went with a Slogan "SAVE GREEN-SAVE EARTH." NSS Program Officers P.Bhaskara Rao and G.T.Naidu Garu led the team of 23 volunteers. Students distributed the plants to households. They educated people and requested to plant the saplings and take care of them so that they can grow into trees. The rally was successful.
