ECO-FRIENDLY VINAYAKA IDOLS DISTRIBUTION IN PAYAKARAOPETA - 02.09.2019

SPACES Degree college has been distributing clay idols for eco-friendly festival celebration. SPACES Degree college students have taken an oath of making eco-friendly Ganesh idols in order to save environment from chemicals. students make Ganesh idols every year with mud and water. Eco-friendly idols are degradable and they will not hurt any living creatures in the water. They Protect Human Health

After preparation of the eco-friendly idols the students voluntarily distribute them to nearby households for free of cost. NSS team took active participation in this program and tried to spread message of celebrating festivals without damaging the environment. 250 idols were made this year and distributed in the adopted and neighbourhood villages. Students spread awareness among the people of the adverse effects of idols made of chemicals on the environment. They promoted the use of bio-degradable idols. Volunteers took the idols to the temple and distributed them to disciples at the temple. 46 students and 2 staff members participated in the event. Student and societal awareness were promoted in this event.
