(Under the Management of SRI PRAKASH EDUCATIONAL SOCIETY)

OBSERVED WORLD ENVIRONMENTAL DAY - 05.06.2021

World Environment Day is celebrated annually on 5 June and encourages awareness and action for the protection of the environment. The theme for 2021 World Environment Day is "Ecosystem Restoration". Ecosystem restoration can be done by rowing trees, greening cities and gardens, changing diets or cleaning up rivers and coasts. This is the generation that can make peace with nature. On 05.06.2017, SPACES Degree College NSS volunteers planned a rally to bring awareness among the people about protecting our environment. Rally was held in the P.L. Puram village. Rally went with a Slogan "SAVE GREEN- SAVE EARTH." NSS Program Officers P.Bhaskara Rao and G.T.Naidu led the team of 35 volunteers. Students distributed the plants to households. They educated people and requested to plant the saplings and take care of them so that they can grow into trees. The rally was successful.
