Visual treat: Bharatnatyam Dance performance by Biotech students

Bharatanatyam as an art form has grown over the years in terms of style, costume and jewellery. Out of the temple complexes to stages across the world, Bharatanatyam is one of the most widely known classical dances of India. In pure style, **Bharata Natyam** is classically clear in technique. The feet beat out complicated counter rhythms; the legs are bent in a characteristic low squat; arms, neck, and shoulders are part of the movement. In the pantomime (the use of movement and the expression of your face to communicate something or to tell a story) sections, the hands tell the story through conventional gesture language, while the face expresses the mood.

Taking the stock of the nation: A rally on awareness of Voter Registration and “Right to Vote”. The paramount duty of every citizen is to exercising the vote to decide the future of the country. Democracy is not government of some people. It is a nation ruled by its own people. The beauty of democracy is that the minority will have their say but the majority will have their way. Functioning democracy implies where the people approve to the government operating the nation. In a truly democratic society, the representative or a candidate who has been elected are responsible in many ways to the people who voted and elected them. Voter is the part and parcel of the governance. Exercising the vote to the right candidate enhances the quality of the nation.

Environmental Campaigners:

CLOTH BAGS:

It's estimated that nearly 8 million pieces of plastic enter oceans every day. One of the most impactful steps that we can take as individuals are to reduce our use of single plastics and substituting disposable bags with reusable cloth bags is a great start. Cloth bags are also multipurpose, which means that you could reduce your plastic use in many areas of your life. Many people associate cloth bags with grocery shopping, which is great. One of the easiest and most impactful ways is to invest in a cloth bag. They're economical, more sustainable, and might just give you the peace of mind that you're preventing plastic pollution with every use. Students create awareness on environmental protection by organizing rallies.

SPACES DEGREE COLLEGE

(Affiliated to Andhra University)

(Under the Management of SRI PRAKASH EDUCATIONAL SOCIETY)

Learning Curve: A message on Man making education by Swami Sai Datta Nagananda Saraswathi:

Swami Vivekananda always believed that the development of a nation is not possible without real education. According to him, development of good personality in every human being is very essential in case of nation building. That's why, Swami Vivekananda emphasised on Man making education by which we can made a good citizen for our national development. Character Building Education and Thoughts of Vivekananda: Swami Vivekananda emphasised on Man making education for human development as well as national development. According to him, man making education is inherent in character development
